Liteway 4 Plus Profile:

This high performance all-rounder is daringly different thanks to the unique styling of the lightweight tubular frame and innovative latch-lock system on the two-piece chassis. Thoughtful engineering makes it so easy to dismantle and stow into an average sized boot, leaving plenty of room for other necessities - smaller, individual sections are easier to lift and provide even greater flexibility for when storing away purposes are essential. Available with an optional battery upgrade to 24Ah, that can give up to a 16 mile range.
