

A cityscape at night with a prominent illuminated tower and a road leading towards it. The scene is captured from a low angle on a road that curves into the distance. The road is paved and has white dashed lines. In the background, several buildings are lit up, with the most prominent one being a tall, cylindrical tower with a glowing, textured facade. The sky is dark with some light clouds. The overall mood is one of modernity and energy.

Inject passion and enthusiasm
into your profession and the result is:
Power!

PASSION + PERSISTENCE = the Perfect Product.

Each and every product is the fruit of genuine dedication. The whole DIETZ Power team – part of the DIETZ Group – devotes tireless energy and the expertise gained from years of experience to optimizing the quality of life for people with mobility restrictions.

Our vision? To deliver high-quality aids that can be adapted as flexibly as possible.

And the outcome of this vision? High-grade electric wheelchairs with a modular design.

For our users, DIETZ Power is about tangibly enhancing convenience, comfort and quality of life. For our partners, it is about delivering unique commitment and personal service – from initial consulting to the shipment and maintenance of every one of our products. And for our team, DIETZ Power is about the joy of doing what we do best.

SANGO
advanced

Giving shape and power to mobility.

The freedom to decide leaves all the room you need for the perfect solution. And that is a nice feeling. DIETZ Power has consciously chosen to specialize in developing modular electric wheelchairs that can adapt to the personal needs of each user. Different seating systems can be flexibly combined with robust chassis to optimize individual mobility.

MINKO – The functional companion for every activity

SANGO basic – The universal partner for daily activities

SANGO advanced – The reliable assistant for day-to-day comfort

SANGO [under development] – The high-performance solution for discerning users

SANGO slimline – The lean, nimble helper specially for children and youngsters or for use in confined spaces

SANGO x-large / xx-large – Solid support for outsized and overweight people

Shaping mobility.

Like to get to know the Power team, its modular solutions and the feeling of perfect mobility from DIETZ Power? We are there to serve you at any time!
