

12 Month Guarantee

Electric Mobility Euro Limited (the 'Company') guarantees its products against defects in materials and workmanship under normal use for a period of one year from the date of purchase by the original retail purchaser (the 'Guarantee Period'). If a defect arises and a valid claim is received within the Guarantee Period, at its option, the Company may either (1) repair the defect at no charge, using new or replacement parts; (2) replace the defective part with a new part or a part that is either the same as, or functionally equivalent to, the original part;

A replacement product or part assumes the time remaining on the Guarantee Period of the original product or 30 days from the date of replacement or repair, whichever provides longer coverage. When a product or part is exchanged, any replacement item becomes the property of the consumer and the replaced item becomes the Company's property. The 12 Month Guarantee does not include any labour, packaging, or transport costs.

Product replacement, or with an alternative equivalent product, is at the discretion of the dealer or retailer. Any refund provided is also at the discretion of the dealer.

Component Lifetime Guarantee

The Company guarantees the various components within the products against defects in materials and workmanship under normal use of the product. If a defect arises and a valid claim is received under the 'Component Lifetime Guarantee', at its option, the Company will repair the defect at no charge, using new or replacement parts or will replace the component.

Component types are defined within the Component Category Definition below.

When a component is replaced, the replacement component becomes the consumer's property and the replaced component becomes the Company's property.

The Component Lifetime Guarantee covers the cost of parts and materials only and does not include any labour, packaging, or transport costs. Services performed by the Company in replacing or repairing the component, parts or materials may be subject to additional charges for labour, packaging, and transportation.

The Component Lifetime Guarantee periods are dependent on the component type and model as defined within *Component Guarantee Periods* section where relevant below. Consumable items such as batteries are excluded from the Guarantee.
