SPECIAL FEATURES

- **Built-In Storage Drawers:** Spacious drawers can be integrated into the bed base, providing ample storage for bedding, clothes, or other essentials, keeping your room neat and organized.
- **Motorised Adjustable Base:** Customise your sleeping or lounging position with smooth, motorized adjustments for both the head and foot sections, ideal for reading, watching TV, or finding the perfect sleep posture.
- **Durable Slatted Base:** The wooden slats offer excellent support and durability, prolonging mattress life and enhancing comfort.
- **Modern Upholstered Design:** Upholstered in a neutral, textured fabric, this bed is available in a range of colors to fit your bedroom décor, offering both style and versatility.
- **Multiple Sizes:** Choose from Single, Double, King, or Super King sizes to match your space and preferences. MiBed can also do any custom sizes.
- **Easy-to-Use Remote Control:** Effortlessly adjust the bed's position with a user-friendly remote, ensuring convenience and flexibility.
- **Health Benefits:** This bed is perfect for those who need to elevate their legs or back, helping improve circulation, reduce pain, and enhance overall sleep quality.
