These chrome castors offer a stylish finish to your MiBed® Elite base while also providing a greater level of support to the bed base when compared to the more common, plastic alternatives.

## SPECIAL FEATURES

- **Wireless Ergonomic Remote Control:** The MiBed Elite Base includes an ergonomic remote for easy bed adjustments, offering quick access to ideal positions and under-bed lighting.
- **Sprung Beech Slats:** High-quality sprung beech slats evenly distribute body weight, reduce pressure points, and enhance sleep comfort.
- **Emergency Lowering Motor:** In case of power failure, the emergency motor gently lowers the bed to a flat position for safety.
- **Splash-Proof Motor:** The splash-proof motor resists moisture, ensuring durability and protection from spills.
- **5-Part K Frame:** The durable 5-part K frame provides flexibility for custom bed adjustments and improved stability.
- **Tested to 25 Stone:** The bed base supports up to 25 stone, ensuring strong, stable use for various body types.
- **Massage Unit:** The built-in massage unit offers multiple settings to relax muscles and enhance comfort.
- **Underbed Light:** A practical under-bed light improves nighttime visibility and reduces tripping risks.
- **Memory Settings:** Convenient memory settings store and recall your favorite bed positions at the touch of a button.
