INTRODUCING MOTION DIVAN

**COMFORT
LUXURY
SUPPORT**

**From the
Industry Leaders
in Adjustable
Bed Technology**

Looking for ultimate comfort and versatility? A high-low adjustable bed offers customisable height and positioning, making it perfect for individuals seeking mobility support, medical care, or enhanced relaxation. With an easy to use remote control and whisper-quiet motors, this bed seamlessly adjusts to your ideal position. Elevate your lifestyle with a bed designed for comfort, health, and convenience, all while supporting proper spinal alignment and reducing pressure on joints. Ideal for elderly care, people with limited mobility, or anyone looking for personalised comfort.

AVAILABLE IN A RANGE OF
STUNNING FABRICS

** This item can be custom-made using fabrics of your choice.*

CHROME CASTORS

These chrome castors offer a stylish finish to your MiBed® Motion Divan base while also providing a greater level of support to the bed base when compared to the more common, plastic alternatives.

SPECIAL FEATURES

- Customisable Head & Foot Adjustments:** Effortlessly adjust the head and foot sections for personalized comfort, ideal for lounging, reading, or sleeping.
- Premium Modern Design:** Sleek, contemporary styling with fully upholstered premium fabric, enhancing the look of your bedroom.
- Pressure Point Relief & Circulation Support:** The adjustable platform promotes better circulation and reduces pressure points, improving overall sleep quality.
- Quiet Motorised Adjustments:** Smooth, whisper-quiet motorised adjustments ensure minimal disruption while changing positions.
- Easy-to-Use Wireless Handset:** Includes an intuitive, wireless remote for quick and easy control over your bed's adjustments.
- Sturdy Build with 35-Stone Weight Limit:** Built to handle up to 35 stone, ensuring long-term durability and support for various body types.
- USB Charging Port:** Conveniently charge your mobile devices directly from your bed with the built-in USB port.
- Under-Bed Storage:** Features convenient storage space beneath the bed for extra bedding or personal items.
- Shepherd Castors for Easy Mobility:** Equipped with durable castors for easy movement, making cleaning and rearranging simple.
- Compact Design for Smaller Spaces:** Comes in two pieces, making it ideal for homes with limited space or smaller rooms.
- Fully Upholstered Platform with Retaining Bar:** The upholstered platform provides a seamless, luxurious look while the retaining bar ensures your mattress stays securely in place.
- UK-Made Quality:** Proudly the only fully upholstered adjustable platform bed made entirely in the UK, assuring premium craftsmanship.
- Emergency Lowering Feature:** Safety-focused design with an emergency lowering feature for peace of mind in case of power outages.
- Memory Position Settings:** Save your favourite bed positions with memory settings for added convenience and ease of use.
