Vortex
& Solid Canopy

Take your journeys to the next level

The Vortex is a revolutionary, unique & dynamic 8mph scooter ready to take your mobility & lifestyle to the next level. Combining new edge design with the latest technology, the Vortex is built to perform with a host of user-friendly features.

Style, substance & safety

Plenty of legroom coupled with full support & comfort from its Captain's Seat with sleek white stitching & modern design.

Performance suspension ensures a driving experience that is more dynamic & comfortable than ever before for prolonged journeys of upto 25.5 miles* over all terrains.

Super bright LED lights & extra mirrored running light for increased visability. 2 rear view mirrors & USB charging point offers the ultimate in peace of mind motoring.

Enjoy the drive

Max Grip limited slip differential gear box & 900W high torque motor enable the Vortex to keep going where other scooters would struggle. The seat & tiller are adjustable to further enhance the ergonomics for lumbar support.

Get out & about, rain or shine

Canopy Specification

Overall length	164 cm / 65”
Overall height	173 cm / 68”
Overall width	70 cm / 28”
