The choice is yours:

Available with solid puncture proof or pneumatic tyres!

Rascal Vista LiTEWAY Profile:

Introducing the Rascal Vista LiTEWAY with a LiFetime Battery Guarantee. This mid-size aluminium scooter benefits from the quick release feature and it dismantles into a few easy-to-lift sections for transporting in your car. The compact and slim-line style offers a spacious footwell and plenty of legroom, yet it is still extremely robust with generous turning manoeuvrability, making it ideal for everyday use.
Available in two eye catching colours with appealing features including easy access tiller charging and delta handle bar plus the all-round suspension offers added comfort. It comes with front and rear LED lights maximising visibility, giving you both confidence and support wherever you go.

BATTERY
RASCAL LiFe

27Ah battery, weighing just 7.2kg:

Relax and enjoy the ride in the knowledge that the **Lithium Ferro-Phosphate** (LiFePO4) Battery pack is the safest, **greenest** with an increased efficiency and performance to stand up to everyday life.
