Rascal Vierra LiFe Profile:

The **Rascal Vierra LiFe** is a quality engineered, lightweight, Aluminium boot scooter with **Lithium Ferro-Phosphate Battery**. With a choice of 25Ah or 11.6Ah battery, this compact, class-leading Rascal includes a **Lifetime Battery Guarantee** for peace of mind. If you are looking for spacious legroom, all-round suspension with exceptional ride comfort, stability and optimum longevity, with this 4mph scooter offering up to 21.4 stone user weight, it is the obvious choice!

Greater flexibility with two easy access charging points, with **super light front section weighing just 10.8kg**, it is designed to dismantle with ease, this robust and highly manoeuvrable travel scooter with tight turning circle is great for both indoor and outdoor use.

Benefit from a range of up to 20.6 miles (90kg user weight) with the **Rascal Vierra LiFe**. Whatever journey you embark on, feel the level of comfort from the deluxe seat and enjoy the convenience of the smooth user-friendly controls, padded adjustable delta tiller and handy front basket which is quick to attach on or off for daily essentials.

LiFe moves you in a new direction...

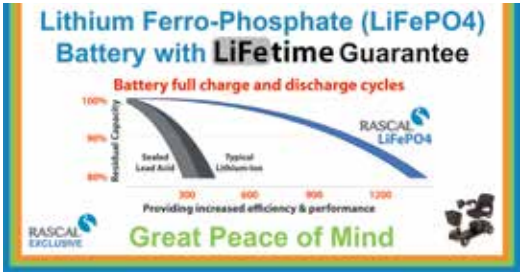

The enhanced safety features include front and rear integrated **LED** high performance **lighting and Rapid 5A LiFePO4 charger** (available on 25Ah battery) providing up to 5 miles range per hour of charging.

Thoughtful practicality is packed into this modern scooter for both battery options. With the 11.6Ah battery, giving up to 10.3 miles range.
