# The Ambassador

## Waterfall Back

The Ambassador Riser Recliner in Leather is the perfect example of quality British craftsmanship combined with timeless, durable and stylish design. The deep waterfall cushions provide exceptional standards of comfort and relaxation. The seating position offers ultimate support even while rising or reclining. Make the right choice and invest in a premium leather chair for the long term.

Leather made using small amounts of finishing can outlast fabric upholstery material by between four and five times.  
Produced with minimum environmental impact.
